

Friday Night Magic

5:30pm to 8:30pm

Every Friday night (Labor Day - Memorial Day) we feature the close-up table side magic of Rudy Tinoco of Party Magic and Balloons, compliments of Out of this World.

Rudy Tinoco has been performing magic for the last 10 years and specializes in close-up card magic and sleight of hand. His performances are both funny and entertaining. You'll be amazed as objects appear, disappear and transform in your own hands!
Experience the magic every Friday!
