

You are welcome to come in on your own and have an unreserved party with the following limitations:

No outside food or drink is allowed with the exception of a store or bakery prepared cake.

Since our reserved parties have priority, any unreserved parties will be seated at our discretion which includes our main dining room, party rooms or upstairs dining room. The best time to arrive with an unreserved party would be Monday through Friday before 5pm or Sunday after 4pm.

If we cannot get you enough tables for your group upon your arrival , we may start you with one or two tables while the kids play and add tables as they become available. We will do our best to seat your group quickly and your patient is appreciated.

Our play is unlimited and you are welcome to stay as long as you like, however, we may request that you release any unused tables after 1.5 hours. Typically, your party activities are complete and children are busy playing by this time. We will always allow adequate seating for remaining adults.

If tables in the main dining room are important to you, we recommend purchasing a party package.
